

facebook faces

Would you like to be featured
on the school facebook page?

Take a creative picture that communicates how much
you love our school. Submit it to the school and your
photo will be entered in a contest.

The winning picture will serve as our
cover photo for a week, and your family
will win a large take-n-bake pizza from the Shante.

Depending on the number of submissions,
we may choose again for other week-long features!

Submit your creative photo about you and your school
to svanhal@isd116.org by **October 18**.

(For your submission, please consider the shape of the photo.
Look at facebook. It has to be wide and not very tall.)
